

**Statement on Senate Action on the
“Immigration Control and Financial
Responsibility Act of 1996”**

May 2, 1996

The Senate has taken an important step today by passing with bipartisan support the Immigration Control and Financial Responsibility Act of 1996, important legislation which ratifies my administration's comprehensive immigration strategy to reverse decades of neglect and restore the rule of law to our immigration system.

This bill builds upon the historic progress we are making. Over the last 3 years, I have directed my administration to use every tool at its disposal to crack down on illegal immigration and to reintroduce the rule of law at the border and in the workplace. We have made illegal crossings at the Southwest border tougher than ever before by increasing manpower by 50 percent and employing state-of-the-art technology. We are deporting record numbers of criminal and other illegal aliens from the United States, and we have put teeth into our immigration laws in the workplace. Earlier this year, I signed an Executive order barring employers who knowingly hire illegal workers from receiving Federal contracts.

I am pleased that the Senate has endorsed our strategy with legislation that answers my administration's call for tougher penalties for alien smugglers, criminal aliens, and manufacturers and sellers of fraudulent documents. The Senate bill also supports our plan to continue to increase the size of our Border Patrol and provides the Justice Department with new tools to fight illegal immigration. While this bill strongly supports our enforcement efforts, it still goes too far in denying legal immigrants access to vital safety net programs which could jeopardize public health and safety. Some work still needs to be done. I urge the Congress to move quickly to finalize and send me this key legislation.

**Statement on the Initiative To
Reduce Tobacco Use**

May 2, 1996

Smoking is a pediatric disease that shows no sign of abating, in part because young people are constantly barraged by messages that glamour and grit can be found in pack of cigarettes.

My administration has proposed the Nation's first comprehensive initiative to reduce children's use of tobacco products. But Government cannot solve this problem alone. Everybody must do their share to help parents keep their kids tobacco-free.

I applaud 3M Media for accepting responsibility for the impact billboards have. We must all work together to protect our children from the lures of tobacco.

**Statement on Senate Passage of the
Ryan White Comprehensive AIDS
Resources Emergency Act**

May 2, 1996

I applaud the Members of Congress for this overwhelming statement of support for the Ryan White Comprehensive AIDS Resources Emergency Act. By extending this vital program for 5 additional years, lawmakers of both parties are sending a message of support to thousands of Americans who are living with HIV or AIDS and to their families and friends who offer them love and support each and every day. In its first 5 years of existence, the Ryan White CARE Act has provided high-quality medical care and support services that help to extend the length and improve the quality of life for people living with HIV/AIDS. I have been proud of our recent success in increasing funding for this program by more than 110 percent in the last 3 years, including a \$105 million increase in the recently enacted budget agreement for fiscal year 1996. I look forward to signing this bill and continuing this record of bipartisan support.
